## CZYTANIE

### 14 Przeczytaj tekst. Zaznacz czy zdania są prawdziwe (T), czy fałszywe (F)? Popraw zdania fałszywe.

My favourite book is *The Hobbit* by J.R.R. Tolkien. It tells the story of what happened before *The Lord of the Rings*. The main character is Bilbo Baggins and the story is about his adventures and how he found the famous ring that Frodo Baggins, Bilbo's adopted son, must destroy in *The Lord of the Rings*.

Tolkien was born in 1892 and died in 1973 at the age of 81. He was a university professor but he loved telling stories, especially to his four children. He wrote *The Hobbit* for them. It was his first book. He finished *The Lord of the Rings* 12 years later.

There is going to be a film of *The Hobbit* soon. The Mexican film director, Guillermo del Toro, is going to film it in New Zealand, where they filmed *The Lord of the Rings*. The actor Ian McKellen is going to be Gandalf again, and Andy Serkis is going to be Gollum, just like in *The Lord of the Rings*. I can't wait to see it!

- 1 *The Lord of the Rings* is the story of Bilbo Baggins' adventures. T / F
